MATH-203 will not count toward a BARC major's degree requirements; it is only preparing the student to pass MATHS-208 at CCA.

NOTE: This Articulation Guideline has been developed to assist transfer students in understanding how specific Berkeley City College courses would be applied toward a CCA degree. Only the CCA Humanities & Sciences requirements that are unique to CCA have been detailed herein; the remaining Humanities & Sciences requirements at CCA are governed by the IGETC UC-equivalency plan. Please refer to www.assist.org to see how other Berkeley City College General Education courses may transfer to CCA.
