W e l c o m e !

The International Student Affairs & Programs (ISAP) office would like to welcome you to our dynamic international community here at California College of the Arts!

We currently have over 130 international student and U.S citizens from abroad studying at our institution. The ISAP office is here to serve you as you work on your degree at CCA. We provide advising services, special workshops, and events and are available to answer questions about any visa or immigration-related matters. We hope that our office can provide a home away from home for those of you who are traveling long distances to attend our school.

NOTE: From Tuesday – Friday will be Document Review & Must Fill Info Sheets

All international students in F-1 student status are required to check-in to notify CCA of their arrival. Please bring your passport, I-20, local address and phone number (if available) and emergency contact information to the meeting. If you have any questions please email isap@cca.edu.
