Articulation Agreement for Architecture (B'Arch) Degree
Based on 2020-2021 Course Catalog

The following courses do not always equate at a 1:1 ratio, as noted. If only part of this agreement is completed then only partial credit may be awarded. All major specific transfer course equivalents must be completed with a grade of B- or higher (C or higher in all other courses) to be eligible for direct transfer into CCA's major curriculum. To see if your Humanities & Sciences course is possibly transferable to CCA, visit Assist.org to verify it's listing under the Breadth Requirements. Contact transfer@cca.edu with questions.
